March 2017

Department News

On March 3, 2017, Professor Emeritus Richard A. King passed away peacefully in his sleep at age 87. He was a long-standing member of the Department of Psychology and Neuroscience and the Experimental Psychology (now Behavioral and Integrative Neuroscience) Program since 1958. He was also a founding member of the Curriculum in Neurobiology.

Dr. King was known for his research on the biological basis of memory, and for his formative contributions to the Department's teaching mission at both the graduate and undergraduate levels. His textbook, *Introduction to Psychology*, which he wrote with Clifford Morgan and others, dominated the field for several decades. Dr. King was a longtime supporter of the entire field of psychology and he will be deeply missed.

Two memorial services will be held for friends of Dr. King. Please join us either on Friday, March 24 at 2:00 PM at Carolina Meadows, 100 Whipporwill Lane, or Saturday, March 25 at 2:00 PM at University Presbyterian Church, 209 E. Franklin Street.

Commencement 2017

Our 2017 Department Commencement Ceremony will be held on **Sunday, May 14 at 1:00 PM in Carmichael Arena**. Faculty and graduate students are strongly encouraged to attend. Academic regalia is encouraged for this event, but certainly not required. The ceremony is open to the public and will last approximately 1.5 hours.

Please arrive at Carmichael Arena no later than 12:30 pm and allow plenty of time for travel as the area will be heavily congested. The main ceremony in Kenan Stadium ends at 11 am the same day.

The School of Government Parking Deck is available for faculty and disability parking. Cobb Deck opens at noon for general public parking and is first-come, first-served. More information can be found online at [Transportation and Parking](#) or you may review the [Commencement Parking Map](#) for public parking options.

If you would like to attend and support your students, please [RSVP by Wednesday, May 3](#). We hope to see you there!

News, continued

15 of our Psychology majors are Spring 2017 initiates of the Alpha North Carolina Chapter of Phi Beta Kappa. Phi Beta Kappa is one of the oldest and most distinguished of all college honorary societies. Membership is a recognition of academic excellence achieved during the completion of a liberal arts and sciences undergraduate education. Phi Beta Kappa objectives include intellectual honesty and tolerance, a broad range of intellectual interests, and a lifelong commitment to the pursuit of learning.

Congratulations to our Spring 2017 inductees: Erika Booth, Kathrin Hennigan, Kimberly Hoover, Erin Kolstad, Prasanna Kuma, Elizabeth Neill, Madeline Norris, Kathryn Ryan, Elena Scialabba, Jasmine Shah, Robert Short, Kevin Su, Rachel Uri, Shelby Waldron and Lynde Wangler.

Donte Bernard, a graduate student in Clinical Psychology, is the 2017 recipient of a Graduate and Professional Student Federation (GPSF) Student Excellence in Mentoring Award. The Student Excellence in Mentoring Award was established by the GPSF to recognize graduate and professional students at UNC Chapel Hill who exemplify excellence in mentoring other graduate and professional students. Mentorship occurs in a multitude of realms on campus, facilitated by the diverse roles and responsibilities undertaken by graduate and professional students. Areas of mentorship include, but are not limited to, teaching, research, professional development, and academic success. Congratulations, Donte!

2017 Distinguished Alumnus Lecture

We are pleased to announce that the recipient of this year's Distinguished Alumnus Award is Dr. David Budescu, who earned his Ph.D. in the Quantitative Psychology Program in 1980.

Dr. Budescu is the inaugural Anne Anastasi Professor of Psychometrics and Quantitative Psychology at Fordham University. His research is in areas of human judgement, individual and group decision-making under uncertainty and with incomplete and vague information, and statistics for the behavioral and social sciences.

Dr. Budescu's talk, "Identifying Expertise to Extract the Wisdom of Crowds," is scheduled for Wednesday, March 22, at 3:30 PM (location to be announced).
